

OUTPATIENT CLAIM RECORD

Claim ID: CLM-2026-05892

Patient ID: PT-44109

Provider: Briarwood Outpatient Surgical Center (NPI 1037485920)

Date of Service: 2026-05-20

Place of Service: 24 (Ambulatory Surgical Center)

Procedure Code: CPT 29881 - Knee arthroscopy with meniscectomy

Diagnosis Code: ICD-10 J06.9 - Acute upper respiratory infection, unspecified

Billed Amount: \$18,400.00

Contracted (Allowed) Amount for CPT 29881 in this region: \$4,250.00

Notes:

Billed amount is more than 4x the contracted rate for this procedure.

The diagnosis code (upper respiratory infection) does not clinically support the billed procedure (knee arthroscopy). This is the third claim from this provider in the past 90 days billing CPT 29881 with a mismatched, low-acuity diagnosis code.
